RARE INTERVIEW WITH STEFANO GIULIANETTI

We at *Much Ado* recently tracked down young up and comer Stefano Giulianetti after a sold out performance of *Tony n' Tina's Wedding* and got an exclusive interview. Here's what he had to say:

Rising Star Stefano Giulianetti

Much Ado: We were under the impression you had left *Tony n' Tina's Wedding* several months ago, how come you're back?

Stefano Giulianetti: Well I was offered a new part in the show for a 3 month contract so I took it. I had a lot of letters from my fans begging for me to return. The character I play now is Timmy the videographer and I must say I'm glad to

be back, I'm having a blast.

MA: Are you staying on for more than one contract?

SG: I'd love to, but I can't. I'm going to Italy in late August and when I get back in September I have some tentative things on the go...

MA: That's exciting! Any plans while you're in Italy?

SG: Yes, I'll be practicing my Italian

so I can do more voice over work, and of course I'll be working on my tan.

MA: So you're back doing Voice-overs again?

SG: Yeah, I did one recently in Italian. I really enjoyed working on it, and of course the cartoon (Bots Master) I did a while back. I'm hoping to get back into it.

MA: How do you feel about leaving in the busy season for film & Television?

SG: It's a bit of a shame but I'm in no rush, my agent will send me out for auditions when I get back, so...

MA: ...So, good luck, and have fun in Italy!
