SERIOUS SIDE OF STEFANO

When most people think of Stefano Giulianetti, they think of his razor sharp wit and impeccable comedic timing, but the multi-faceted Vancouver performer has a few more aces up his sleeve.

Over the next year, Stefano fans all over British Columbia will also get a chance to admire his brilliant honesty and charisma in an ad campaign for **BC's Alzheimer Society** that will air on both television and radio. The commercial has Stefano Giulianetti in the role of groom, to which he is no stranger, having performed in Vancouver's longest running smash hit comedy **Tony n' Tina's Wedding** innumerable times over the last three years (in a total of SEVEN different roles). But this time the charming young actor is pulling on heart strings, not the funny bone. Although this is not his first serious role –having explored that side in an episode of **Millennium**- it *is* his most worthwhile.
