MAMMA MIA!

To complete his hat trick in wedding vows, worldly actor Stefano Giulianetti has hit the big screen. After playing the role of the groom in both the long running comedy *Tony n' Tina's Wedding* and in the *Lotus award winning* commercial for the **Alzheimer Society** he is now marrying again in the Italian-Canadian feature film **Almost America**. The film chronicles a 1950's immigrant Italian family living in the Canadian prairies. They escape poor life conditions in Italy only to find new challenges in a country where they don't speak the language and don't understand the culture. The all star Italian cast includes Sabrina Ferilli (*Le Giraffe*), Massimo Ghini (*Tea with Mussolini*) and of course, Stefano Giulianetti (*The Water Game*). Not only will this be Giulianetti's Italian film debut, but it will be his first time performing in Italian. Since release dates have not yet been set, loyal Giulianetti fans from around the world will have to wait to see his *fantastico!* performance. *In Bocca Al Lupo Stefano!* (*Break a leg!*).
